BIO

Becca Moss is a Certified General Real Property Appraiser who joined Peoples Company in 2025. She began her appraisal career in 2017, focusing on agricultural properties in Nebraska and South Dakota with United Farm and Ranch Management (UFARM), and became fully licensed in 2022.

Becca grew up on a row crop and cattle farm in west central Illinois, which fostered her passion for agriculture and community. Becca has experience appraising farms, ranches, rural acreages and feedlots across Nebraska and Kansas.

Becca is actively involved in managing the Illinois family farm. Becca and her husband, Shawn, have two sons.
